Ellie Briscoe

Ellie Briscoe discovered Scottish Country Dancing in the San Francisco Bay Area in 1977, after some years as a folk dancer. She took her Teacher's Certificate at the TAC Summer School at St. Catharines in 1982, and has taught at workshops across North America and in Japan. Her favorite aspects of SCD are the music and how it drives the covering and phrasing, the teamwork, and the way people grin when they "get it."

Ellie is a library manager at the National Geographic Society in Washington, DC, and likes indoor cats, outdoor birds, teaching scuba diving, and singing.

Washington, PA

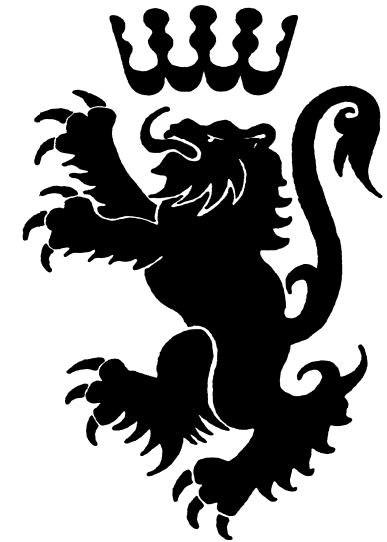

Our Highland Ball will again take place in the elegant ballroom of The George Washington in Washington, PA. There is a spacious wooden dance floor and a balcony overlooking the length of the ballroom where spectators can relax, enjoy the music, and have a wonderful view of the lines of dancers moving together. A large fireplace and crystal chandelier contribute to the feeling of old-fashioned elegance.

We have reserved a block of rooms **until March 16th, 2012** at the nearby Hampton Inn. There is a special rate of \$95 a night, with full breakfast. The confirmation number for this rate is 85996601.
